CAN S.R.L.

# PRESENTA

## SLIDE OUT PORTABLE KITCHEN

**Extractable, easily removable, manageable and convenient to transport**

**Quick couplings** for water, gas and the supplied guides

Ideal for use in **exterior environments**

Possibility to create a **hidden kitchenette**

**Telescopic legs** for outdoor BBQ style use

# *SLIDE OUT PORTABLE KITCHEN* **INFINITE POSSIBILITIES**

## **EXTERIOR KITCHEN**

Installed in a technical compartment and mounted on guides, allowing it to slide in and out, turning it into a real exterior kitchen.

## **FIELD KITCHEN**

Removed from its support structure, with quick release system, and attached to the supplied telescopic legs, you can use it freely in the open air.

## **BENCH GRILL / CAMPING STOVE**

The slide out portable kitchen works perfectly well as a bench kitchen or camping stove placed directly on the ground, ensuring maximum versatility of use.
